Lower Middle

AT 19TH PLACE, INDONESIA ranks in the third of the four tiers for youth wellbeing along with other lower-middle income countries. Of the nine countries in the Asia-Pacific region, Indonesia is 6th followed by the Philippines and India. Generally youth report a positive outlook about their wellbeing, despite the challenges they face in their environment—challenges such as lower spending on public education and lower GDP per capita.

The Global Youth Wellbeing Index ranks 30 countries from high (1st) to low (30th) youth wellbeing and is comprised of 40 indicators across six domains. For more information on the Index and to compare country overall and domain rankings, please visit www.youthindex.org.
